

FixYourGame.com 2011 Golf Outing Packages

What is FixYourGame.com?

FixYourGame.com provides fast, easy, and personalized golf instruction for players of all skill levels. PGA Professionals analyze videos of student's swings using state-of-the-art software and provide a thorough, professional lesson based on the core fundamentals of the swing.

What FixYourGame.com can do for your outing:

FixYourGame.com offers a unique, memorable, personalized, and affordable tournament gift:

- We travel to your outing site and film each participant's swing during the event.
- Our video cameras are high tech, high speed, and weather-proof. Regardless of conditions, we can get players' swings on film.
- The PGA Professionals of FixYourGame.com analyze the video and provide a personalized lesson. Our state-of-the-art software allows for slow motion and frame-by-frame analysis, as well as side-by-side comparisons with professional players.
- Within a few days of your event, each participant will receive their video lesson via email, along with a written analysis and video demonstrations of drills that will improve their golf game.

Cost:

An affordable \$19.95 per participant. You pay only for the number of actual participants in your event.

Outing specific information:

Business / Corporate

- Unique, memorable gift that will be remembered long after the event.
- When students receive their video lesson, they can also receive any specifically targeted marketing material or message.
